Enrique McMilion, Jr., Complainant/Petitioner v. Duke Energy Carolinas, LLC, Defendant/Respondent Docket NO. 2018-379-E

To all parties, I Enrique McMilion jr. wish to bypass the Hearing Examiner process and have the complaint heard before the entire commission. I would like written confirmation that the analog meter not be switched for a smart meter till this matter is adjudicated , I have received a letter stating my refusal of an electronic meter would result in power shutoff. As I need electricity to help me through these proceedings, any help in regards to this would be greatly appreciated.
